

## **Nicos Anagnostou**

Partner, Scicada New Media Agency

Nikos has been in the IT industry for about twenty years. He has held numerous senior management positions in several IT companies, most notably the one of Regional Finance Director in [Oracle](#) for South Eastern Europe.

Later on, he led a internet startup for five years and, after this, his own innovative IT consulting company that dealt only with open source solutions.

He has a broad knowledge of management systems and cultures, as well as web applications and business solutions.

Since 2006 he got involved into blogging and has been blogging (both in [English](#) and [Greek](#)) ever since about social media, entrepreneurship and web 2.0 technologies. His blog has brought him recognition and he is regularly invited in conferences and events inside and outside his country.
