

Lamprakos Panos, Industry Manager, Google

Panos leads the sales team supporting the Gaming and Financial industries of the Greek Google office; he joined Google in August 2010 and has served clients in various sectors since then.

Prior to joining Google, Panos worked for several years in Millennium Bank as an Investment Banker covering many industries and specializing in financial restructurings.

Panos has earned a B.A. in Business Economics from the University of California at Santa Barbara (top 1% of his class), and an MBA from INSEAD. He has also attended several executive MBA courses at Harvard Business School
